Pursuant to the intimation on **May 28, 2025**, I do hereby serve you with the following:

Sir,

1. It has come to my Client's notice that a Complaint has been filed by authorized officers of **Nirmal Intellectual Property Corporation** to Youtube, USA to strike out my Client Mr. Ilam Singh Bansal's videos. My Client's Youtube channels are named as "Sahajyogtv" and "Satyugtv"
2. Whereas the plaintiff is not authorized to issue any legal notice or send any summons directly to my client who is a citizen of India as a US citizen cannot directly send a legal notice to an Indian citizen; it must be routed only through appropriate authorities in India, specifically the Ministry of Home Affairs (for criminal matters) or the Ministry of Law and Justice (for civil/commercial matters).
3. Also, I would like to mention that my client has never done any copyright infringement as per Indian Copyright Act, 1957. My client is only spreading the Holy messages and speeches of Her Holiness Shri Nirmala Mataji through his Youtube channels.
4. Upon stricking off my Client's Youtube channels, the Plaintiff has not just shut down the Youtube channel but has hurt the religious feelings of thousands of followers of Shri Nirmala Mataji who were following these Youtube channels.
5. Sahajyogtv and Satyugtv team have already counter replied Youtube, USA for retrieval of my Client's both Youtube channels.

6. I, upon the instructions of my Client will be writing about these grievances to Ministry of Home Affairs, India as well as to the Ministry of Law and Justice, India.
7. It has been very clearly stated by Her Holiness Shri Nirmala Mataji in her speeches that awareness of Sahajyoga needs to be spread worldwide, and my Client by all his efforts, with good intention and motive along with his team was doing this task of spreading the messages of Shri Nirmala Mataji to the people worldwide.
8. My Client has never even thought of what earnings the Youtube channel is making. Whatever earnings he gets from the channel is being disbursed for Shri Mataji's work itself, such as food distribution, educational awareness programs, delivering lectures in schools, hospitals, jails, etc. So, question of earning from the YouTube channel has never arisen.
9. The complainant and his team want to keep these rights with themselves, which itself is disregarding Her Holiness Shri Nirmala Mataji's words of spreading Sahajyoga to the world.
10. It is shocking for my Client to know that how can a Godly figure like Her Holiness Shri Nirmala Mataji who has herself stated in her speeches to spread Sahajyoga to the masses free of cost can assign copyrights to any specific body. It is also shocking to know how can someone have copyrights ownership on Her Holiness Shri Nirmala Mataji's Holy speeches. It is as good as claiming copyrights over Holy books like *Bible, Quran or Bhagwad Gita*.

In the circumstances abovementioned I hereby request action against Mr. Gagandip Ahluwalia and other authorized officers of Nirmal Intellectual Property Corporation, and

Yours Truly

Advocate Sheetal. A. Mohile
